

National Cadet Corps (NCC) – Delhi Technological University

The National Cadet Corps (NCC) at Delhi Technological University (DTU) stands as a beacon of discipline, leadership, and national service. Established in 2020 for the Senior Division (SD) and expanded in 2023 to include the Senior Wing (SW), DTU NCC has rapidly evolved into a dynamic unit fostering holistic development among its cadets.

Organizational Structure:

The NCC unit at Delhi Technological University (DTU) is structured into two main divisions: the Senior Division (SD), comprising 160 cadets affiliated with the 1 Delhi Armed Squadron (1DAS), and the Senior Wing (SW), encompassing 80 cadets affiliated with the 2 Delhi Girls Battalion (2DGBN). The unit is led by Chairman and Associate NCC Officer (ANO), Lt. (Dr.) Raghvendra Gautam, with CTO Parineeta Sinha serving as the Care Taker Officer for the Senior Wing.

Achievements & Recognitions:

Service Recommendations:

DTU's NCC unit has consistently demonstrated excellence in both service and training. Notably, four cadets were recommended for the Air Force Common Admission Test (AFCAT), while one cadet each secured recommendations for the Combined Defence Services (CDS), the NCC Special Entry, and the Short Service Commission (SSC) Navy, reflecting the unit's commitment to producing future leaders in the armed forces.

Camps & Achievements:

The cadets have also excelled in national-level camps. At the prestigious Republic Day Camp (RDC), DTU cadets played a vital role in helping the Delhi Directorate secure the Best Directorate Runner-Up Trophy. They showcased a vibrant cultural dance performance during the Prime Minister's Rally (PMR), earning widespread acclaim. In the Thal Sainik Camp (TSC), DTU cadets made a remarkable impression in disciplines such as map reading (MR), judging distance and field signals (JDFS), shooting, and obstacle training (OT).

Further, cadets participated in elite training programs and camps such as the Indian Military Academy (IMA) Attachment, the Basic and Advanced Mountaineering Courses (BMC and AMC), the Special National Integration Camp (SNIC), Ek Bharat Shreshtha Bharat (EBSB), and various trekking camps. In recognition of its all-round excellence, the NCC unit of DTU was awarded the prestigious Best Institution Trophy by the Lieutenant Governor, a testament to its outstanding contribution to discipline, leadership, and national service.

SAAMANT 2025 – The Annual NCC Fest:

The 2025 edition of SAAMANT, DTU NCC's annual inter-college fest, witnessed overwhelming participation. Held with great zeal, it featured drill competitions, cultural displays, panel discussions, and NCC-themed activities, reflecting the unity and vibrancy of the cadet community across Delhi.

At SAAMANT'25, the annual defense conclave organized by the NCC unit of Delhi Technological University (DTU), cadets were profoundly inspired by the presence of two national heroes: Honorary Captain (Subedar Major) Yogendra Singh Yadav, PVC (Retd.), and Commandant Chetan Kumar Cheetah, KC, Commanding Officer of GC Delhi.

Honorary Captain Yogendra Singh Yadav, the youngest recipient of the Param Vir Chakra, shared his harrowing yet heroic experiences from the Kargil War. He recounted the assault on Tiger Hill, where, despite being shot multiple times, he scaled a vertical cliff and neutralized enemy positions, enabling his unit to capture the strategic point. His narrative emphasized unwavering courage, resilience, and the ethos of 'nation before self.'

Commandant Chetan Kumar Cheetah, a Kirti Chakra awardee, recounted his ordeal during an anti-terror operation in Jammu and Kashmir, where he sustained multiple bullet injuries. His miraculous recovery and return to duty exemplify

extraordinary determination and dedication. He urged cadets to embrace challenges with fortitude and to serve the nation with unwavering commitment.

The presence and words of these decorated officers left an indelible mark on the cadets, reinforcing the values of bravery, perseverance, and patriotism. Their stories serve as powerful reminders of the sacrifices made by soldiers and the responsibilities shouldered by those in uniform.

Honorary Colonel Conferment:

In a proud moment for the university, Prof. Prateek Sharma, Hon'ble Vice Chancellor of DTU, was conferred the prestigious Honorary Colonel Rank and appointed as Colonel Commandant of NCC by the Government of India during SAAMANT 2025.

Vision for the Future:

DTU NCC envisions itself as a powerful catalyst for personality development, discipline, and nation-building. With a focus on training, leadership, and service, it continues to empower cadets to become confident, capable citizens ready to serve the nation with pride.
